## “CRITTER OF THE WEEK”

### SOUTH MAUI SHORE DIVING

(808) 870-2738

**FAMILY: “ACANTHURIDE”** - Steve found this guy at our mooring line in the little habitat we have created for small fish. You can clearly see his internal organs and his skeletal system! He will someday grown up to be a **SURGEONFISH, UNICORN FISH** or a **TANG**...no one knows for sure at this young stage of his life... Characteristic of this family of fish are the “scalpel-like” spines on either side of their tail that are extremely sharp....This little guy was less than an inch long.....head to tip of tail!
