PICTURE OF THE WEEK!

We had a manta experience today on our scooter dive. It was a young female cruising in 50' of water. There was lots of plankton in the water this weekend and she was feeding. She was pretty skittish. She was not one of the individuals we had previously identified. That was pretty cool to see!

By the way, this weeks night dive will be on Tuesday at 6:00PM.....

DATE OF REPORTING: APRIL 17, 2011

AIR TEMPERATURE: 86 degrees

WATER TEMPERATURE: 77 degrees at 60'

VIZIBILITY: 80' + @ 60'

STAFF COMMENTS: "Snorkelers, divers and paddle boarders are seeing lots and lots of turtles right now. Some are in the 400# range! "
