**HAWAIIAN GREEN SEA TURTLE — “honu”**

**“ GEORGE”**

This little guy has been hanging around on the inside reef for at least the last six months. He is very tame and accustomed to snorkelers and divers. He usually follows our bubbles and does “figure-eights” around our group. He loves to have his picture taken.

One of our junior divers, a little 10 year old girl who was visiting from Arizona called him “GEORGE”. The name kinda stuck and we all now say “ Let’s go visit George”.
